“ *I am deeply saddened and tearful by the loss of a beautiful friend and a great neighbor. We were good neighbors and friends in Berkley and had so much fun just sitting in the front porch and chatting or at night in the backyard relaxing and talking even more. I miss those "neighborhood days" and conversations me, Jim, and Monika would have about world problems, talk about Germany, and what any other topic would come up. Monika will be greatly missed, but the wonderful memories I have of Monika will stay with me forever. God Bless you Monika, your good friend Penny*

“ Dear Kavanagh family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Monika Kavanagh. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest. Mrs. Higgins
