“ Our deepest sympathy to Andrea and little Christianna for their loss. We'd often see Mukha at Keller/Whittier chaperoning on field trips, at school functions or at drop-off/pick-up time. Most recently, at the 1st/2nd grade holiday vocal concert. We will keep you in our thoughts.

“ I met Mukha only once a couple of weeks ago when my friend, Tom, and I had the delightful opportunity of Mukha cooking dinner for us and having wonderful conversations. I would like to express what a wonderful, genuine and caring man and will be missed by myself and many others. My deepest sympathy to his family.
