“ To the Family of Myron Kar, I have only worked with Myron for the last six month's and wanted you to know how much he has been a joy to work with. He helped me more than anyone else and he will be missed very much. He was a very wonderful man...my love and prayers to you. I know how much all of you meant to him since he talked so highly of you all. God Bless!

“ Our families have known each other for over 60 years, yet we really never did get together. I do remember the cottage Myron's dad had, and the good time we, Myron, Wes, I and my cousin Ron Szumlinski had there many years ago. May God bless and show His mercy to Myron, and bring His peace to all of you and yours. Due to other commitments, I will not be able to attend, but know the prayers of all the Bejnar's are with you.
