“ Reflecting on what Aunt Myrtle and Uncle Norm meant to me during my life. One needs to start with all of the Champion Family Gatherings on Lakepointe, excursions to BOB-LO Island, delicious trips to Frankenmuth for chicken dinners, and spectacular Christmas celebrations in the fabulous Rohde basement. For a short while I was able to live on Lakepointe and attend Bethany Lutheran School. One of the least known events, for which I am eternally grateful, was their introducing me to pizza for the first time during 1958. Aunt Myrtle was the nicest women one could ever hope to meet and her many kindnesses will be remembered forever. My aunt and uncle were the “Ozzie and Harriett” role models to me as I was growing up.

“ To Sharon, Bob and Dick and families....your greater family mourns with you. Aunt Myrtle always made me laugh. We had such good times together. I have such sweet memories of both Aunt Myrtle and Uncle Norm. The most wonderful part is that, because we all have faith in our Lord and Savior, we will all be together again one day. Mama lived to be 90, so Aunt Myrtle made it 2 years longer and I am sure they are rejoicing together already. Sharing your tears and heartache with much love and understanding, your cousin, Yvonne

“ All Rohde siblings: I will always remember the feeling of being in the presence of a great family when I was invited into your home, and also Myrt's Christmas card letters with the family update & words of wisdom. May your Mom and Dad enjoy everlasting life together.

“ My deepest sympathy to your family. My mother was Marjorie Blake. She knew your mother quite well as did my grandmother, Mary Zupko. I remember when I was small my grandparents would come up from Florida during the summer and we would all go to see Mrs. Rohde. I know she was about my mother's age. My mother said she used to babysit for Richard? I think. My mother, Marjorie, passed away on April 1, 2005. Again, my sincere condolences to all of you.
