“ Dear Linda, Tom & Janet Our family has known your family for over 60 years. My mother, Dorothy Neil, and your mother were childhood friends. I remember many dinners and Christmas brunches at your house... before you were born and when you were very young. Your mother's laugh is one of my best memories of those visits. My younger sister Carole is the one who gave your dad the name "Drity Bear" when she was just learning to talk and couldn't say Earnie Blair... so long ago. We lost our father almost 3 years ago and we still miss him ...so be reassured it takes time... lots of time. Love Arlene & Carole Conner

“ I have fond memories of Mrs. Blair welcoming me into her home, when Linda & I would get together in high school. Most often, she was smiling. I can still remember her contagious laugh. I always knew I was entering a home filled with warmth & love. My heart goes out to your family on their loss. You have my deepest sympathy & love.
