“ *I miss my "Granny" everyday! I still almost call her and tell her about her Great Grandson and his accomplishments & of course ask an odd question that only she'd possibly know the answer too.....She was the greatest influence in my life, as was my Dad, her son! They are both missed more than I can express.....I LOVE & MISS YOU BOTH*

“ When I reflect on my memories of my Aunt Nancy I inevitably come to a joyful place in my childhood when she and Uncle Vick generously invited me to join their family on our wonderful camping trips to rural Michigan. Those remain among my happiest childhood memories and I will always be grateful for those opportunities to enjoy the outdoors and to learn about the natural wonders of the state. How we teased her for her fear of heights as we crossed the Mackinac Bridge! Now that I am at that age I find myself white knuckling the many bridges of the Bay Area. Thank you Aunt Nancy for all that you did for me as a child. Your memory will remain a precious part of my youth! My best to your family in this difficult time. Dave O
