“ Joe, I send my heartfelt condolences on your loss. I recently heard of Nancy's passing from a friend who attended our class reunion RoseAnn Wieckowski Peltier. Rest assured she is in a better place. May you find comfort in knowing you'll be together again someday.

“ Thank you for being my friend for 35 years, Nancy. We worked together, talked or gossiped together, laughed, cried, and at times prayed together. We shared a lifetime together. So many good memories--up north campfires, California, New York, and, of course, Shipshewana. Heaven for shopaholics like us. We really shined. Karen was the super efficient shopper--2 hours and she was done. Ann was usually on her way back to the motel half-way through, but not you and I. We opened the place and stayed till they threw us out. No matter what kind of vehicle we took, it was filled to bursting. We would have filled a bus if we had one. You fought so long and so hard against odds that would have daunted a lesser person. Now rest easy my friend. "To live in hearts we leave behind is not to die."

“ I am deeply sorry for the loss of your loved one Nancy. God did not create man to die. God made provisions by sending his Son as a ransom sacrifice for those who have faith in him. Those who put faith in him might gain everlasting life. John 3:36 mentions "he who exercise faith in the son has everlasting life." May Jehovah comfort your family during this difficult time.

“ From Karen Coulier-Awe Nancy and I started out as co-workers in 1979 and from there developed a lifelong friendship. Along with Ann Manor and Mimi Smith we became a group of 4 friends who have been supporting each other for 30 years. Over the years our friendship extended to include our families. We attended each others children's weddings, graduations etc. Nancy gave me a baby shower for my daughter, Shannon in 1980. In 2010 when Shannon died of breast cancer Nancy was right by my side. When Shannon began the Bras for a Cause fundraising event in 2009, Nancy and her family jumped in to help make the event a great success. Even though Nancy had her own medical issues she was concerned about others. I will always cherish all the good memories and am very thankful she was a part of my life. Although we will miss her immensely she will continue to live in our hearts.

“From Ann Manor A few words about my dear friend, Nancy. I met Nancy in the fall of 1979 at Harrison Hospital when I began working in the hospital’s ICU. She was a mentor to me - a rookie nurse, who thought she knew it all, NOT. She taught me so much. I also met Mimi Smith and Karen Coulier-Awe. The four of us quickly became tightly knit friends for life. We began to socialize outside work, and our families also became close. We traveled together, shared holidays, birthdays, special occasions and much more. Our kids grew up together and they all enjoyed many camping trips with our group. Over the years, we shared many joys and celebrations as well as some woes- but always with loving support from each other. Nancy was a warm and compassionate nurse, always seeking to provide the best care and comfort to her patients. She was a loving, supportive friend to many. Nancy had a sense of humor and was fun to be with. She was married to Joe for over forty years and a loving mother to Joey and Rande. She was so very proud of her grandkids, Joshua and Lucas. We could always expect to see their latest pictures and hear about their achievements at our get-togethers. They brought her so much joy. Nancy also actively worked on behalf of the community, wanting to give back in support of breast cancer research as she was a promoter and volunteer for the Relay for Life Foundation, as well as Bras for a Cause. Her efforts to aid these causes were very much appreciated by so many. In spite of health issues during the past few years, Nancy very much enjoyed going shopping and out to lunch or dinner with friends, including attending The Lunch Bunch, retired MORC employees monthly lunches. Whenever we could, the four of us would meet at a restaurant for a 2 to 3 hour dinner, and share stories of the current events in our lives. We would laugh a lot, moan and groan at times, and always support each other. Nancy you will be sorely missed but your seat at our table will never be empty as we will remember you with love, retell our favorite Nancy stories and toast you. Nancy’s favorite song was a Peaceful Easy Feeling by the Eagles. I believe that Nancy’s wish would be for her loved ones to have a peaceful, easy feeling when they remember her.

“ My prayers are with you and your family. Nancy was one of the first people I met before and after my reconstructive surgery with Dr. Chepeha at U of M. His nurse Tammi had Nancy talk with me before my 16 hour surgery. She's such a wonderful person and will be sadly missed by all. She's now a perfect person living in Heaven. Wow, such a wonderful lady!! We were all so lucky to have been touched by her. I'm so glad to have met her and to know now she'll be another angel in heaven watching over us. God Bless!!!
