“ *I have such wonderful memories of Nancy dating back to when I was just an adolescent girl and my brother was in the army. Nancy would come over every Tuesday after work and spend the night with us. She always gave me such positive attention and we would race to see who could get ready for bed first. It was such a special time for me because I had no other siblings and she was like my big sister. Then when we were older and had children we would have family get togethers. Our kids were the same age as Ron and Ray so I would pack up my three and go over to visit. Those four boys were "VERY active" so we would send them down to the basement to play and keep the girls upstairs. Every now and then Toni or Lori would have to go down to see what was going on. As the boys got older they could go out on their own. I KNOW they have lots of stories to tell about those days and a lot of laughs to share. Those times with all our kids together are a treasure to me as I know they are to the kids.*

Much love to my nieces and nephews from uncle Tim & Aunt Cathie

“ I am so very sorry to hear of your dear mother’s passing. I loved her dearly & am very saddened. I worked with Nancy @Michignsn Nat’l bank & met her in 1975. She was Mr. Sobson’s Secretary & I sat directly in front of her. I truly adored her & she was a mentor to me as I was only 21 at the time we met. I looked up to her & learned from her professionalism & special ways she handled everyone she met. She was a beautiful soul! My husband (Doug Haldane) went to 4-5-6 grade Ottawa jr high with Toni. We did stay in touch & sent yearly Christmas cards to each other & saw one another every so often. She always made me smile & laugh. I send my condolence to her children & grandchildren & know how she loved all of you. I feel honored to have know her & she will be truly missed. I am so Sorry I cannot attend her service as I am in Florida for the winter. Please know my thoughts & prayers will be with you all. Kathy (Kurta) Haldane.
