

Nancy L. Spigliano

October 14, 1947 - October 28, 2024

Nancy Lynn Spigliano (nee Ruoti), a resident of Royal Oak, passed away on Monday, October 28, 2024, at the age of 77. A daughter of Vincent and Grace Ruoti, she was born on October 14, 1947, in Pittsburgh, Pennsylvania.

Nancy dedicated 30 years to the Detroit Police Department as a parole supervisor. In her free time, she found joy in knitting scarves, needlepoint, and crossword puzzles, along with her passion for the game Onnect, where she consistently triumphed against others. A devoted volunteer at the Royal Oak Library, she shared her love for reading with the community. Nancy cherished "girls' nights" with Kris, enjoying their favorite shows like HBO's *The Gilded Age* and Netflix's *Emily in Paris*. An avid viewer of *General Hospital* and a dedicated QVC fan, she had a special bond with her beloved dogs, Peanut and Cuddles, whom she missed dearly. Beneath her tough exterior was a heart full of love for those she held dear, and she will be remembered for her strong will, sense of humor, and generous spirit.

Nancy was the beloved wife of the late William, with whom she shared 41 wonderful years. She was deeply cherished and loved beyond words by her caregivers and longtime friends, Joe and Kris Wilson, who were family to her along with their sons, Cody and Owen. Nancy always looked forward to Joe's delicious home-cooked meals.

She enjoyed meaningful conversations with Kris's father and sister, appreciating their visits. Nancy was grateful for the attentive care provided by Kris's sister, Donna, and brother, Steve, during her hospital stays, ensuring she had the best meals. She also leaves behind her dear friend Gina whom Nancy loved immensely and who she cherished deeply.

Nancy is survived by her brother, Paul Ruoti, and his wife, Nancy, and was a beloved aunt to Paul Ruoti.

Nancy will be profoundly missed by her adoptive family and all those who loved and cared for her.

“ My dear friend, Nancy passed away on Monday 😞😭💔. I first met her when I worked at William Beaumont Hospital 🏥 Royal Oak Rose Cancer Center. Even after I left Beaumont hospital, we continued to talk and be friends. I will definitely miss her and her spunkiness. She was very funny and definitely a firecracker like my mom was. I know when Jesus 🕊️ took her home I know her husband was waiting for her at heaven's gate. Rest in peace, my friend. Until we meet again ❤️
