“ *What a lovely lady. Was she ever without a smile? Full of life, always fun and ready for adventure. She was the epitome of what a mother, grandmother and great grandmother should be.... full of love, exuberant about each and every accomplishment and ready with a word of advice wrapped in a joke.*

*To Bonnie, Dale, Dean and Kari, our deepest sympathy, you were blessed with one special lady.*

*Fondly, Barry and Edie Saunders*

“ *Naomi provided countless memories to me and my family throughout the years. The “Up North” winter breaks were filled with ice skating & hockey games on the lake, sledding down the hill of the backyard, and eating popcorn by the fireplace! Summer activities were waterskiing, swimming, biking, walking, picking wildflowers, fishing, catching the biggest “Bass” that got away, pontoon boating, stargazing at night, and early morning coffee together with Bonnie in the kitchen watching chipmunks or on the back porch overlooking the lake. Giving Amy and Scott freedom to eat Cap’n Crunch cereal at your house because as their mother, I would never buy it for them. Thank you for accepting me unconditionally. Love, Marilyn*
