“ *My sincere condolences to the family and to those who loved her. She was a beautiful lady, inside and out! I always thought she had a good looking family, who adored and respected her. As a mom, leaving my children and grandchildren behind will probably be the most painful, final step in life. Knowing that my family will have a continued relationship with our Lord Jesus Christ, I will forever rest in peace! My prayers and thoughts are with you all! Rest in peace ...*

“ Truly a wonderful aunt. She always seemed genuinely interested in what ever we would talk about. I love her so much and am so blessed she was my aunt. I always loved seeing her when I went to McCausey to visit. I always looked forward to seeing her at the holiday gatherings. My most fond memory was going over to her house when I was in my 20's and talking to her about life. She gave me really good advise and made me feel like anything was possible. She shared how proud of me she was a year ago when she saw my mom and dad's new house. Aunt Nathalie, I am going to miss your smile and your genuine advise and compliments. Every moment I got to see you was truly a moment I cherished. Cousins... I love all of you and am so sorry for your loss. Al...you were a blessing to Nathalie and I am so sorry for your loss. To her sisters and brothers...so sorry for your loss. Prayers go out for all of you during this sad time. May it bring some peace knowing she is in heaven with our loved ones who have passed. They are all up there together rejoicing. God bless. Rest in Peace my dear Aunt Nathalie...I love you so much!

“ *I remember her as the most wholesome, down to earth, loving, welcoming, beautiful and strongest woman I have ever known. As a child, she hosted the Kool-Aide house literally.! It was our go to hang out because you were always greeted with her beautiful, smiling face while she was preparing, legit, homemade noodles, perigees, etc... while hosting her sisters and all the neighborhood kids. A true gem. I'm sure she poured the passion into her grandchildren as well. She made her mark and will be deeply missed.*
