

## Neil A. Tidmarsh

February 7, 1968 - November 14, 2021

Neil A. Tidmarsh, age 53, passed away on November 14, 2021. He was born on February 7, 1968 in Bradford, Yorkshire, England to Jack Tidmarsh and Marion Elliott Tidmarsh.

At age fifteen, Neil and his family moved to Michigan and resided in Bloomfield Hills. He was a graduate of Seaholm High School and received a Bachelor's degree from Central Michigan University, and a second Bachelor's from Lawrence Technological Institute.

Neil's father, Jack, introduced Vanessa Thomas to him and the couple were married on May 6, 2004 in Novi.

His early career took him to Ford Motor Company, later Visteon, where he worked as an engineer. Currently he was a project manager at Magneti-Marelli (Auburn Hills/Southfield). He enjoyed his job and had a very strong work ethic. Often working on holidays, vacations, and even from the hospital. Neil was proud to have been involved with a patent for Sirius XM/Radio.

Above all, He was a proud Yorkshire lad that loved his family and adored his brothers and his children. (Almost as much as his dogs lol) He frequently enjoyed being in the sun, spending time with his dogs, traveling, and fishing. He especially loved watching sports and having a pint (or three) with his

friends and family.

Beloved husband of Vanessa. Loving father of Jacob Harrison, Gabrielle Harrison, Aidan Tidmarsh and the late Benjamin Willis. Dear son of Marion and the late Jack Tidmarsh. Brother of Ian Tidmarsh and Roy Tidmarsh.
