“ Nettie touched my family in so many different ways. As a neighbor of the Okulichs on Burnside, she was respected so highly by my grandparents that they trusted their Zena stepping out with Nettie. My grandmother was a client at her salon. My dad, Alex O'Kulich, as a young boy had a crush on her. My parents socialized with Nettie and Bill. The night my daughter was born, December 17, 30 years ago they were together. When my husband and I began opened our meat market, Nettie was a loyal customer. Nettie took my mother, Vera. under her wing when my dad passed away. They played bridge and took a senior trips including one to Mackinac Island. Nettie's friendship was invaluable when my mother moved to Waltonwood. She was a little disoriented and Nettie guided her back to our world. My mother was so very happy the last 5 months of her life and it was largely due to Nettie. After my mother died, I visited Nettie. She always had a way of making me stronger when I needed it. I will remember those visits and cherish her stories. Everyone who was privileged to know Nettie has been richer for the experience. My sympathy to the entire family.

“ Aunt Nettie was a lady in every sense of the word ... kind, wise, a pillar of strength and wisdom. She was always there for the family, ready to help if problems arose ... insightful, generous of spirit, and loyal to her family and friends. She led a long full life and will be missed by those of us who admired her and whose lives she touched. Marianne

“ It is with a deep sense of personal loss and sympathy for the family of a truly wonderful human being that we remember and mourn the passing of dear Aunt Nettie. She always remembered us "loved ones" and she will forever remain in our hearts and prayers as a great lady who extended her love to family both near and far. May she now find peace and happiness beside Uncle Bill and all those of the family who preceded her to eternal life. Michael and Mitzi Belenky

“ *My condolences to the entire Chumack family. In sad times as this we can find strength in from God's promise that He will reunite us with our loved ones who have fallen asleep in death by means of a resurrection and that soon "He will actually swallow up death forever" on a paradise earth. Then 94 years will only be a few. - John 5:28,29; Psalm 37:11,29,34; Isaiah 25:8 May this precious hope that awaits us and your treasured memories of Nettie bring you a measure of comfort in this difficult time.*
