“ I am an ex- neighbor from Park Ave and will remember Nick for his twinkling eyes and good spirit. In one of his neighborly moves, he shared his biscotti recipe with me. After having him decipher the measurements for me, it has remained one of my favorite recipes and I feel that I make authentic biscotti now. Rest in Peace.

“ Dear Dario, Elizabeth and Niccolo, We were so sorry to hear that you have lost your dear Father and Boompa. He was always such a delight to be around. He had the best smile. His eyes twinkled when he smiled. I'm sure he will continue to be watching over you from above. Love, Don and Rosemarie

“ I worked at American House when Niccolo lived there for just a short while. We have kept in touch all of these years, and I was so upset to read of his passing today. He will be in my prayers, he was such a wonderful man! I feel blessed to have known him.

“ I' am one of Nick's neighbors on Park Ave...Nick was the oldest member of our neighborhood. I think his presence reminded us of a day gone by when there was so much courage and hard work being done to make this world a better place. He spent his final years blessed with his grandchildren and we didn't spend much time with him as neighbors but we were always here for him. His sudden passing was a surprise to me, I think I thought he would be with us forever in that big house of his. God bless!
