

## Nick Delis

September 26, 1947 - November 13, 2025

Nick Delis, of Macomb, Michigan, passed away on November 13, 2025, at the age of 78. Nick is the cherished husband for 41 years of Kathy; the loving father of Nathan (Victoria), Brandon, George (Holly), and Jeff; and the adored papa of Anastasia, Nicholas, Evelyn, and Alysia.

Nick truly appreciated every moment he spent in nature-gardening and raising monarch butterflies at home, fishing, and spending time on the water with his family. He was also an avid bird watcher and reacted in amazement every time he'd see a hummingbird, even if it was only for a second. He also had a great eye for photographing birds in their natural habitats.

Nick took on a wide range of interests and cared deeply for his family and the people in his life. He loved a variety of music, especially the Beatles and the groups from the British Invasion era. He had a wonderful sense of humor. He enjoyed comedies and every chance to laugh with his family, and always found a way to be lighthearted. Nick loved to cook, especially Greek food, taking great pride in his Greek Heritage, and enjoyed having sincere conversations over a meal or a good cup of coffee.

Most importantly, Nick had a deeply rooted faith in Jesus Christ, which he loved to share with others. He was a light to everyone around him.

Nick's family will receive friends for visitation on Wednesday, November 19,

“ George and family, may the many memories you shared with Nick bring you peace and comfort. My deepest condolences, Lori Cordell

“ Kathy lived around the block from me, and the Boyce house my local hangout throughout my childhood. Kathy became one of my best friends. Nicks dad was my Uncle George because he was my parents best friend. Until my teens I thought he was my blood cousin but we continued to call each other cousin. Kathy and Nick met at my house and instantly connected. Though life wasn't always easy for him, his passion for Jesus, nature, cooking and Kathy and his family was strong and he always smiled and had a positive attitude. There is a saying that “true friends are never apart, maybe by distance and time, but never in heart”. That's how I always felt. Sending love and hugs to Kathy and the boys and may God give you all strength through this difficult time. May you rest in peace Cuz! Always, Annette

“ I worked with NikkO at Hudson’s for many years in the furniture department. We always had a great time talking about northern Michigan and how beautiful our home state was. Athina, Nick and I would talk about the yummy candy store in Hamtramck that was very familiar to him and always enjoyed having those great conversations about history and all the yummy Greek food he would make. For the holidays I would always make sloppy Joe’s and Nick was always..... the first in line. For such a little dude, I swear he would eat all day and eat at at least four sloppy Joe’s and enjoyed them so.  
Nick was a fabulous guy and I very much enjoyed working with him!  
RIP NikkO

“ Nick married my sister Kathy when I was 10 years old. I remember him tickling me as a child of 8 or so when he'd pick her up for dates and I remember calling him Nickleby Ickleby for some inside joke as a kid. He always did a great Donald Duck impersonation too! As I grew up I learned cooking tips from Nick like adding lemon juice to broccoli or the importance of real butter over margarine. He was a great cook, husband, father, papa, brother-in-law and friend. We had a mutual love of nature and photography and we'd chat about that. He also gave me tips about life, like when I got married he told me as long as Christ is at the center of your marriage you have nothing to worry about. I know he is with Christ now and in awe! Save a spot for all of us, Nick. In the meantime we'll look after Kathy and your family! XO Jenny

“ Always liked talking to Nick. I remember one time, years ago, I was talking to him about a book I just finished by Michael Crichton. It was about going back to a time of knights to rescue a professor. Nick said he had just read the book himself, and really liked it. Something about going back to a time of kings, queens, and knights. I think Nick was Kathy's knight. Bob, Kristy, & Reyes

“ Nick Delis was a wonderful addition to the Boyce family for over 40 years. He worked from a young age, from the Coney Island and the candy shop to furniture sales at Macy's. He took great delight in his family and all of his retirement activities. He loved my sister Kathy, and they had a beautiful marriage. Nick was always up for traveling around Michigan, trying different restaurants and day trips. He was so kind and loving. I know his reward will be great. --Cindy

*Nick made my sister Kathy very happy . They shared a strong faith in God, and were so thankful for all that they had . Nick and Kathy really enjoyed sitting outside on their backyard patio. They would eat most of their meals out there during the months of warmer weather and enjoy talking and relaxing with each other . They both loved watching all the Detroit sports ! The Tigers , Red wings and the Lions games were always on at their house . Nick always had a lot of energy and liked to go to church, and out to a late breakfast after services . He loved going to restaurants , especially those on the water because it was so peaceful and beautiful . I also remember him cooking a lot at home and he often made a leg of lamb at Easter time. Nick really valued his family and friends . It was important for him to spend time with his family and enjoy their company . He and Kathy went on some cruises with their son Nathan , his wife Victoria and their 3 children. That was so much fun ! Nick was kind and thoughtful and he could be silly at times and make us all laugh. He will be very missed by all of us that loved him . I know he is enjoying the beauty and peace of heaven right now .*
