“ A few months ago I reconnected with Nic after many years of not seeing or talking with him. I last saw him in 1983. I am thankful that we had a chance to talk to Nic. We talked about the old neighborhood, my brother and the other guys. We shared some laughs and it was great to talk to him. I called him again today to keep in touch like I promised and was so sad to hear of his passing. He gave me lots of great memories and I will always remember him. He was older than me and a friend of my brother Jim. Jim, Nic and Dan G. teased me so much, but so many great memories come from them. I do miss them all, I am thankful for having known Nic. God Bless Nic's family and friend.

“ Barb, Chris and Bill, we surely did love Nick. He was a good friend. Nick and I, Joanne would have great phone gab fests. We could make each other laugh ourselves silly. Nick was a man of God and we know that he is in eternal peace. Nick struggled with his addiction but that never stopped him from caring for his fellow man or woman. We will remember Nick with great love and respect.

“ Sorry to hear about this. I remember the good old days when, Nick, Darlene my wife and I would sit around Nick's Christmas tree and "get lit up" as Nick would say - have a few nice pops. He was soooooo proud of his Christmas Tree Decorations and the Polish kielbasa he would go to Hamtramack and get. God Bless ----will always remember Nick

“ My best memory of Nick is how much he loved cruising. It offered all of his favorite joys; starting with Mass, great friends, good meals, good drinks, fun gambling, good music ,lots of dancing, and best of all a ton of laughter. This is how I will remember him.

“ Dear Barb: So sorry to have read of Nick's passing. My prayers are with you and your family during this difficult time. You have a faith that is strong and it will get you through this period. I will never forget the time we went to Fr. Mike's graduation in Maryland and Nick had to ride that little airplane -- white knuckles all the way, but he made it. I think he kissed the ground when we landed! What a guy - he will certainly be missed!
