“ Our heartfelt sympathy to you and your family, with the passing of Nora. She will always be around you in memories and spirit. We are celebrating her life, not her death. I had not been in touch with Nora or her sister Judy for around 35 years or more, for I moved to Florida permanently in 1974, but Astra Malins kept in touch with me, told me how things where going with everyone. I have just now found out. Please also give our sympathy to Judy and the others in Priedniek family. With happy memories..... Regards, Elga & Sarmite Skinders

“ Dearest Nora, Suzie said it all. I will miss you so much. But it was your turn to cross the Rainbow Bridge, and you are there with loved ones who already made that trip and are ready to welcome you to that golden shore. You will always live in my heart as one of the best of the best, dearest Nora. Never will you be forgotten.

“ Hey, Nora!!! Did you see the moon set Monday night??? It was so beautiful...I even told Larry, it was a new moon. Deep in the western sky, so thin and bright on the horizon. I know you did. You and I could always relate to this kind of thing. Oh Nora...to everything soft and sweet and beautiful. That's you!!! To everything goofy, silly, do I even say daring??? That's you!!! To everything adventurous, curious, inquisitive...that is how I will remember you, my dear Nora.To all 4 legged creatures, hamsters, raising Monarch butterflies and hoping we would have enough milkweed to get by. That is how I will remember you. I could write a novel... from Monday Night Bingo at St. Lawrence, and being crazy with Francie and Judy bartending weddings and the Super Bowl. Nora, all fun aside...my dear friend and confidant...I love you...how I miss you. I still sorely miss Big Budgh sp. Oh Nora...so much I could say...anyway ...Mike, Nick what a gal, what a woman, what a friend. We and like all of us others will truly miss this lady...Nora Resk:

We really enjoyed getting to know her last year at the hockey tournament. Please consider us your Battle Creek family and if there is ever anything you need or anything we can ever do for you, know we are there for you. The Media's

“ Mike and Nick: I will always remember Nora as a person who saw the positive side of every situation, always there with words of encouragement, and one who worked tirelessly at whatever her passion of the moment was and there were many. She could always be counted on to do what she promised to do, and her smile and her positive attitude was contagious to those around her. She will be missed by me and by those who knew her. Please accept my deepest sympathies to you, Mike and Nick, as well as to the rest of Nora's family. May she rest in Peace.

“ Nora, my "old" friend, so many years together so many memories!!!! I had a wonderful last year with her! She taught me so much about computers, butterflies, and how to have courage when things were not so great! Thanks for being my friend So sorry Resk and Priedniek families, but thank you for sharing her.
