“ *My mom was one of the kindest & generous people I know. When she asked me to move to Kauai to help her, I thought it was a crazy idea, but it was time for me to sell my home and move on. So off I went on an adventure that allowed me to visit my daughter & her family, as well as, go to Oregon to visit my dad and stepmom. And then I arrived on Kauai. It is really a beautiful & magical place. I lived there with her for a few years there & then I said, it's really time we move back home to Michigan. So we visited our family here in Michigan, went back to HI, and one day my Mom said ok, we'll see what homes are for sale and we'll move. I was shocked that she agreed, but I think she realized, that it would be better for us to be where our family was. And she was happy with our move. I love you mom & miss you already.*
love, Lee Ann
