“ I have so many fond memories of Noreen and Bill. They used to come in to where I played piano and sang. They kind of/sort of adopted me into their beautiful family, inviting me to dinner at 10:00 at night with a beautiful spread of food. After I was married they hosted us for a summer BBQ with cajun fish. I got very sick right after only to find out that I was pregnant! Noreen babysat my newborn while I had my hair highlighted. She was such a good mom. I am so sad that I missed her memorial. God Bless Noreen and Bill. I hold you in my heart. Love, Laura Thompson/The Masters

“ *Noreen was such a wonderful woman. So kind, caring, and giving. During the time I worked for her husband, Bill, at GM we were adopting a baby and Noreen gave me the most beautiful baby shower at their home. I will always remember the wonderful Christmas parties for Bill's GM family that Noreen and Bill would host. I am so glad Noreen was able to spend so many wonderful years at their Pompano Beach condo where she loved the warm weather and pool. She raised a beautiful loving family and will be so missed by all.*

"Grief never ends... But it changes.

It's a passage, not a place to stay.

Grief is not a sign of weakness, nor a lack of faith...

It is the price of love."

“ I am so deeply sorry to hear of Noreen. She was a beautiful, caring, thoughtful , and generous person and always the first to help people. I will always remember how caring she was to me and all the other folks that she became friends with at General Motors. I truly believe she was an angel in life and is now a special angel in heaven!
