“ I have known Norma for many, many years. My husband Nate worked with Darwin at GM. Dar sponcered Nate into the Utica Lions Club in about 1981 and Nate was an extremely active member of that club until the day he passed away in 2014. Norma and I worked together on many Lions projects with our husbands until they moved away. I will be forever thankful to Dar and Norma for their friendship through Lionism for so many years!
