“ *Wow! Mr Ellis. I remember the 1st day I met him in 1972. I was afraid of him. Then I got to know him. He was really just a teddy bear not a growling bear. What a great life you led. Who can say they were married for 59 years! May you rest in peace Norman and guard and protect us from up above until we meet again! My heart goes out to you Betty and all the family. It's difficult to close a chapter in one's life. I am always here if you need me. Love Sheila Jacobs*
