“ I think a quality of a great man is demonstrated in the way he treats his wife. Thank you for being a great man, and helping to raise the one I married. It has been a privilege to be part of your family. You will always have a special place in my heart.

“ To a loving, caring and generous father who was always there for me throughout my life. He would support me in my decisions and always tell me how proud he was of me. The most important thing in his life was his family and you could tell by the outpour of love during his last days. I have great memories too numerous to list, that I will never forget. Although it is sad right now, everytime I think of my Dad I smile and know that he is now in a better place. Love you always Dad.

“ Norm truly represented the best of the best of the "Greatest Generation". I remember the day he returned from the battles of World War II in the summer of 1945. We love you "Uncle Norm" and know you are with loved ones. Bruce
