“ *So sorry to hear of your father/husband passing. Even though it has been years since we saw each other, our times spent together were filled with great memories. I remember spending time with him when my parents were at his parents house while they played cards and also at his moms birthday party in Rochester Hills. I will keep him in my prayers he was a great guy and know he will be missed.*

“ *Dad, we will miss you greatly! You were always so friendly and good natured and pleasant to be around. I enjoyed every moment I spent with you, even if it was simply watching a baseball or hockey game on TV.*

Our little Luke, your grandson, told me yesterday that he knows that you went right to Heaven so we can't be too sad for you. That's for sure, but all the same, we will miss you!
