“ My deepest sympathy for the family, Oneida and I met at a DAR meeting over at Piney Ridge Rd. What a wonderful smile you had and nothing but nice things to say about everyone. We were on the board together for about 10 years. You always talked about your children and what they were up to and how much they meant to you. I remember many times coming to you house for a DAR board meeting, we all got out tea cups and the fine china. You made special deserts for me as I was allergic to nuts. Those were the days! You were always great with the year books and getting members to pay their dues. You did every thing by hand even in the end! I remember picking you up and going to the DAR picnics or out to other members houses for various things. We would all pile in the car and laugh all the way. You always sought me out at the meetings to either sit together or just to say "Hi' You will be greatly missed by all.....What a wonderful lady, Love you, Diane Segel
