“ Oh Pam a world without you in it will be so much less bright. From the moment our Mother put you in my 10 year old arms I was in love.
You were such a courageous warrior and hero to us all. You fought each and every battle that came your way but like your loving husband said, “I wish she didn’t have so many of them”, as these past 10 years you had to fight one medical battle after another. I remember when you were being pushed into the operating room for one of your many surgery’s you had a smile and a thumbs up for us that were crying. My dearest Sister, you will live on thru us that had the privilege to know and love you. You will be sorely missed. 💔

“ I worked with Pam on many projects over the years with the Mother's Clubs at the Shrine Grade School and Academy & High School. Pam was a gracious, dedicated and organized leader. Just a lovely lady in every aspect. My deepest sympathy to the Barber family.

“ Pam will be greatly missed by her extended family of U.P. transplants. Pam and my mom have been great friends since their school days in Negaunee. Our families have been close for my entire life, and my childhood was full of parties with the Barbers and the rest of my parents U.P. clan. Pam was one of my first music teachers. Though I was never a very good student, she was always encouraging, and I can definitely attribute some of my musical talent to those days in Royal Oak sitting at her piano. I wish Patti and I could be at the service this week. Please know that we are thinking of all of you, and praying for peace and comfort for your family. Love Charlie, Patti, Matt, Liz, & Caitlin.

“ *Pam (I still think of her as Mrs. Barber) was truly a second mother to me, as Natalie was a best friend since kindergarten. For my entire life she welcomed me into her home and fed me countless delicious meals (New Year’s Eve steak and twice baked potatoes was a fave!) She was always eager to hear about the latest in my life, sitting in her warm living room knitting while we regaled adventures of grade and high school. I was always honored that she was proud of my piano playing, since she was the OG pianist! Visiting her hometown of Negaunee for “cudighi” sausage pizza was such a special memory, especially since she taught Natalie and me about “buzzing the gut” #IYKYK. I will miss her and keep her in my heart always. Love you Mr. Barber, Natalie, Allison and Diana. Holding you close tonight and thinking of her and all she meant to me.*
