“ I truly miss you Pammy. You were like a kid sister to me. I wish I was more in touch with you the past year. But now you are at peace. Knowing you, you're probably joking with Marlene right now. Remember the Triangle Friendship it doesn't work or does it? You were a wonderful Aunt to your niece and nephews. Always great with kids and loved your pets. Thanks for helping me with my dog Mikki. Thanks for being my dental hygiene patient at school even though you hated the rubber dam. I didn't like it either. Thanks for helping me ace my school presentation. Over the years you were definitely a true blue friend and I will never forget you. Every time I picture you I see your smiling face. Always laughing about something. You would just crack me up. You made life fun. You were fun to be with. Love you kiddo Ponee Pam

“ Please accept my sympathy regarding the loss of Pamela. Though no words can take away your sadness, I pray that you find comfort for your hearts and strength to endure from our heavenly Father and "God of all comfort" Jehovah. 2 Corinthians 1:3 As a caring healer of hearts, Psalm 147:3 says of God, "He is healing the brokenhearted ones and binding up their painful spots." Please take care.

“ I have so many great memories of you Pam, one of my favorites is when we all went up north to Phil's cabin. That was so much fun. I loved working with you at clairmount, you would crack me up. You had a great sense of humor, playing pranks and jokes! I miss you and love you.

“ I have several great memories to share about Pam. The first is that Pam would make me smile almost daily by putting notes with smiley faces and various messages in the pockets of my dry cleaning. Every day I looked forward to getting dressed in the morning, even if it was to go to work, just to see what new message I was going to find from her. Pam and I also had lots of laughs together making fun of Erica and her obsession with Bret Michaels sorry Erica but Pam would appreciate the mention. Even during Pam's most difficult struggle, she still found the strength to make me and others laugh. She was *TRULY* an amazing and beautiful person who will always be remembered. My heart goes out to her family and friends, you are in my thoughts and prayers during this difficult time.

“ My thoughts and prayers go out to the entire Semrau family. I was a classmate of Pam's at St. Florian's and was shocked and saddened to hear of her passing. May the good memories you have of her keep her in your hearts forever as we will remember her and keep her in our thoughts at every reunion we have. Rest in Peace my friend.
