“ pat was the best friend. best neighbor anyone could have. we always said we needed a gate at our back fence so we wouldnt have to walk around the block to catch a quick cup of coffee, and talk. we shared laughs and tears over many , many years, and i will never forget her . i will miss talking to her so much. she and jim have a wonderful family and my prayers go out to him and all of them as they struggle with the loss. God bless you all.

“ I will always remember my Mom and Pat standing at the back fence in both their yards, talking and hanging clothes and laughing. Pat has been part of our lives for a long long time and she will be missed. The family is in my prayers during this hard time of loss.

“ Dad Orr, Susie, Jim, Cindy and Mike and families, My heart is so heavy at the loss of one of the truly great and beautiful women I have ever known. She was more than a neighbor or a friend's mom, she was my second mom, and a good friend. I think of all the times that we got into trouble when we were young, and Mom Orr was always so forgiving. Even when I broke her hurricane lamp. Bethany still sleeps with her Raggedy Ann doll that Nanny made for her, and just yesterday, when we were putting up our Christmas tree, the two ornaments i reached for first were the little stuffed man Mom Orr and Aunt Jean made Xmas 1981 and the baseball ornament Mom Orr made four years later. The best part of finding them was being able to tell the stories behind them. I am so sorry about your loss, and I regret not being able to say one last good-bye, but I am sure that the "neighbor ladies' lunch club" is having one heck of a time today. Love you all.

*“ I have no idea what to say, except to say we both thought Pat was a wonderful neighbor and a friend on whom you could count for a nice word, a smile, the wave of a friendly hand. A great neighbor, we will miss her.*
