“ *Dear Dave, Susan, Nancy, JoAnne and family, We are so deeply sorry to hear of Pat's passing. A wonderful woman she was and she was surrounded by the most loving husband and family. I shall always remember her reading on the beach in her green beach chair with her girls and the dog. She moved the chair as the sun moved, so all I had to do was look at Pat and I knew what time it was. Her walks with the dogs on Lower Shore are forever etched in memory. That part of the road should be renamed for her. Our fondest memory that will remain always is of Pat's sincere kindness and the love that so clearly existed between she and Dave. We will miss her very much as so many will. Please know our thoughts, prayers and love are with each of you.*

“ *Joanne: My thoughts and prayers are with you and your family. I have such fond memories of the times I spent hanging out at your house so many years ago. Your Mom welcomed all of your friends with open arms and she was such a delight to be around. God bless you all.*

“ *Dear David and Family It was with very heavy hearts that we read of Pat's passing this morning. It just seems like a few weeks ago that we chatted with the two of you at The Townsend. I remember David, the day you took us aside to tell us of what Pat was going through - you had such love and care in your eyes. We thoroughly enjoyed building for you at Hidden Ravines - Pat was such fun to work with and always had something to say that would make us laugh. We have enjoyed sharing lots of time with Nancy and always knew that she had come from great parents! David, I hope you remember when Paul and I used to see you at the mid-week AM services at Cranbrook. It was when we were first together and it was so comforting and reassuring to see you there. You have played a big part in our lives and we surely appreciate both of you. Our deepest sympathy to you and your family, Paul and Jan*
