“ *Please know how sorry I am for your loss. I have so many memories of happy times when you all would load up and drive to Vestaburg. Such fun we had as children. I can't be with you during this difficult time but know that I am thinking of you. Patti*

“ *It was with great sadness that we read about Patric's death -- much too young. Even with all he had to overcome, he had such a positive attitude. We were glad to see him really blossom in the last few years. He seemed to set a new path for himself and was really enjoying life. Please know that our hearts and prayers are with you. May the wonderful memories of Patric flood your thoughts with love. Randy and Donna Young former neighbors from Elmwood Street*
