“ It is only once in a lifetime, if you are lucky, to be blessed with a best friend that would be part of your heart and soul. I was lucky and blessed to have her. Patti was giving, caring, and funny. She was a BIG part of my life. She gave to her friends freely the love she had, she put her ALL in everything she did. She taught us all patience, understanding and how to love with no boundaries. She taught my daughter more things than I could list, but I will say that my child was lucky to have her as a godmother here on earth, and just as lucky to have her in heaven watching over her. Thank you Barb for having her, and giving us all such a wonderful person, I don't know how we'll ever repay you. Patti I LOVE YOU!!!!

“ Goodbyes are not forever And nor is it the end When angels come to call away A loved one or a friend. The empty place thatÆs left behind Within this world we know Reminds us just how brief a stay We have before we go. So when itÆs time to bid farewell To one weÆll dearly miss LetÆs just say weÆll meet again And promise them with thisà The true gift is that love remains Although we now must part.. Until forever and beyond IÆll keep you in my heart. Miss You Patty. Love Diane Plaza
