“ *What great memories we have shared in the last twenty years, as we have watched the Briskey/Forster family grow. There were weddings, births, graduations, birthdays and a lot of fun visits. Pat and Ron were surrogate parents and grandparents for us. How sad to lose both in the same year. We send our sincere condolences to all the family. Don and Evelyn Forster*

“ *Grandma was a big part of my life and an inspiration to my family. She gave me hope after Nate was born and it was her strength that helped us get through some difficult times. She was so excited when the doctors had good news and keep her faith when the news was not all that good. The one memory she talked about was taking Nate to speech and giving him a dollar for the vending machine every Friday. We will miss her dearly, but now she is with my favorite father-in-law!*
