“ Patti, you have now joined all the other angels in heaven. I will never forget all the fun times we had growing up on Conley. It was and always will be the BEST neighborhood ever! One of the best and funniest times ever, was preparing for your birthday party we practiced dancing in your basement to a Dell Vikings record! The long walks to St. Louis the King grade school, and our 8th grade musical show, roller skating on Hass' and Cindy's driveways....oh what memories! Our Conley Reunion in 2007 was such a hit. It was so good to visit with you in September at Linda's memorial. I appreciated all the pictures you would send me with your Christmas card each year of your boys and then the grandsons. You have a wonderful family. My deepest sympathy to Wally, your family and Larry. You will be missed dear Patti. Love, Dianne Nowicki Jaske

“ My dear friend, Patti, you will be missed! I can't believe you will not be present at our luncheon get togethers and to be there to have those long telephone conversations. It was a pleasure and a delight to have you as my friend and next door neighbor on Conley Avenue in our growing up years. I recall the fun Bartnik family gatherings that took place at your home and that your home was always a "welcome center" for all the kids. Your mom and dad were very cool! Patti, you once told me that you were blessed with a wonderful life with Wally and your boys and how proud you were of them! My deepest sympathy to your family. My thoughts and prayers are with you all! Love and blessings!
