Patricia has been a friend of mine since her step son, Robert married my daughter. We had so many laughs throughout the years. We spoke a few days ago and all was well. This happened so suddenly, I am still in shock. My condolences to all her family and friends. May you be in peace now my friend. I will miss you.

I have known Patricia since the 1970's, and we soon became close friends. I have many happy memories of things we did together. Until very recently, we celebrated our birthdays together, since they were two days apart.

I will miss Patti. She was a loyal friend with a great sense of humor. We supported each other many times throughout the years, and I can hardly believe that she is gone.

My sincere condolences to her sons, grandchildren, nieces and nephews. She will be missed.

I have known Pat since high school at Fitzgerald we lived in the same neighborhood. It has been so wonderful to reconnect on face book and to see her beautiful grandchildren and family. It speaks volumes about a person when a friendship can span decades as ours has. I will miss her she was a great comfort to me when my brother died and also fun to interact with on FB. Sending love and my deepest sympathy to her family and many friends. I will miss you my dear sweet friend.
