“ Dear Jacqueline and Family, I was so very sullen to hear that your Mother had passed away. It is a very difficult and overwhelming time. I pray the days ahead will find you feeling a little stronger, and that the months and years ahead are filled with only healthy, joyous and prosperous times for you and your family. It is arduous to find the words to express "I'm sorry", but it is printed all over my mind and heart. May you all have many more years to enjoy and cherish each other. Warm thoughts to you Jacqueline- Sharon Bender

“ Pat I am really going to miss you and all of our talks. Even though we were miles apart we were still close. Thanks for being such a great friend even when I called you my "pet names" which I can't say on this email. We will try and keep Terry in line when playing cards. We won't let him "cheat". As you will always be with us in our thoughts. When he gets "CHEEKY"ACTING, I will try and straighten him up. You were a great friend and neighbor in Arizona. You taught me alot of good things. Like making some good drinks and etc. We won't tell everyone what we did. Thanks for being our friend. You are up in a good place now and out of all that pain. We will see you again and keep the cards ready. Our thoughts are with you Terry and the kids. We will keep you in our prayers. I wished we could be there for you during this time.
