“ *I always liked Pat from the first time I met her. She was a real sweetheart. What does it mean to be a sweetheart? The dictionary says: 1. darling 2. one who is loved 3. a generally likable person 4. a remarkable one of a kind. That was Pat. The world will be a sadder place with her passing, but a better place for her having been here.*

“ I have many good memories of time spent with Pat. She will be missed in so many ways. Pat was a beautiful and loving friend. I could always count on her to help with the luncheons at the Bus garage for Special Needs kids. Jim would always come by to eat a coney and a piece of carrot cake with us there! Love them both!
