“ *To: Ellen Hutt-Monte, Dear Ellen & Family, Please know that my heart and my prayers are with you at this diffucult time. I have been there and a Mother's loss is like no other. I feel it is like loosing that last piece of your childhood. You can be a child no more and must forever be an adult. So mourn the loss of your Mother and your inner child. Know that I am there in spirit. Take comfort with your family and loved ones. Celebrate her wonderful life and laugh about the good times. A big Hug for you, Edith Humm*
