“ My Minnie 💕 you were funny and so much fun to be with! I remember our last Christmas we had the pleasure of enjoying with you. You may have been petite but you had a large personality! You are an absolute beautiful fiesty biatch! I loved you from day one. You could always see the truth in people and sure as hell not shy about saying what was on your mind, lol. Every time I wear my bangles I think of you, instantly smiling and having warmness in my heart ❤️ I absolutely love you and am so grateful for all the memories that you have given to us. Miss you everyday! I should have put you in my pocket that Christmas 🌲 like I told Karen and took you home! with me 🤗 Tomorrow is never promised, for anyone...make the most of your today! Honey, you were the glue that kept this family together and that is no more. You were more than family to me...,you were my friend  
me...you were my friend!

“ Dear family, I'm sorry for the loss you've suffered of your dear Ms. Patricia Kolassa.. Please accept my deepest sympathy. I wanted to share a comforting message with your family from the Bible. There lies a wonderful hope for those who have fallen asleep in death and their families. God has the POWER and DESIRE to resurrect those whom he chooses. Please examine John 5:28, 29 where the prospect lies of being reunited with your loved ones again. Continue to draw close to God during your time of need as God is near to those who are brokenhearted Ps. 34:18. Hope this helps your family as it has mine.
