“ I miss you mom. I'm still crying. I love you very much. You were always my rock in life. You never hurt a soul and you gave your all to make sure those around you had everything they might need. Your kindness, love, and selflessness will never be forgotten. You are my role model in everything I do. May god hold you and keep you until we can see each other once again. God bless you mom. “ Putting together pictures and memories make me realize what I already knew- how truly blessed I was that God picked her to be my our mom. Not only did we love her, but it is a true testament to someone's life that everywhere she went and everyone she knew loved her. How proud I am to be able to say that about my mom!!! I am a better person because of her and pray that she is receiving the blessings of heaven that she so truly deserves. I miss her smile and her reassuring words and touch. A piece of my heart is missing that can never be replaced. I love you so much mom, and look forward to the day I see you again.
