“ Pat was such a fine professional in all her endeavors! I thoroughly enjoyed working with her during her time with the city of Sterling Hts. and she did so much for that community. We laughed, worked hard to move the region ahead and always welcomed our time together! I learned a lot about PR watching her work and cherished our friendship! She was wonderful in every sense of the word! Condolences to her family and I know she will be sorely missed by all who knew her!
