“ I have such fond memories of Pat back in the days at Laurel Street in Royal Oak. When Steve and I were kids, Pat was one of those Moms, who never seemed to mind that we hung around and wrestled in Living Room, tolerated us when we attempted to play various musical instruments badly and played hours of Ping Pong in the basement. She always seemed ageless to me. She would actually listen to Rock & Roll and folk music and sit down and watch American Band Stand on TV with us. Pat, thank you for your willingness to include me in your family outings and adventures when possible. I always felt at home in your home. God Speed John Calverly

“ I have many fond memories of Aunt Pat and many more current ones also. Dennis and I would call and tell her we were going to be down her way and would like to stop to see her and she was always anxious to see us. On the phone she would always remind us to bring Peanut our dog who would be in her lap the whole visit! She was full of life all of the time and that is the only way we will all remember her! She will be missed very much!

“ Dear Steve, Maureen, Tom and Fred, I was so sorry to hear of your mom's passing. She was always such a warm and kind lady, always welcoming our whole family into her home for special occasions and holidays. I will remember her mostly for her calm demeanor and love of life and family. I feel very blessed to have known her and share happy times with her. I pray that she now rests in peace with those whom have gone before her.

“ I remember Aunt Pat as a very warm caring, fun person. She came through Washington state here once with Marie , it had to have been 30 yrs. ago. Kurt
