“ Dear Aunt Pat, How thrilled St. Peter must have been to swing open that gate and say hello to one of the few with a life so well lived, and someone so well loved. How happy your family and friends must have been to welcome you home. I can hear Uncle Bob saying " God ---- it. Patsy, where have you been?" How happy he must have been to be reunited with the love of his life. No doubt Margaret, Jack, Nora, Jim, Marce, Irene, George, Liz, Bob, Cliff and Dorothy have been waiting for a game or two of pinochle, and a wee bit of food and beverage. We will miss your ready smile, loving ways and generous heart, but know that you are at peace, and with the many that love you so. The legacy that you and Uncle Bob have created lives on in your beautiful family and many friends.

“ Pat was a very special lady to our family. I considered her an aunt because she was always there for my parents and family. She loved all of the Cronins'. Lucky for us we have wonderful memories and pictures of days gone by. Our children have memories as we talk about the younger days. Pat, I hope you enjoy heaven with all of the members of the family that have passed on before you. Oh! The card games you must have. May your family find peace in love, knowing that their mother shared her love with so many and will be fondly missed. Carol & Oscar O.J.
