“ Our sincere sorrow goes out to the family of the beautiful woman we only knew for such a short time. Thank you for your kind gift, appreciated but certainly unnecessary, your Mother was a gift to us herself.

“ Dearest Kim-and to you and yours during this most sad time. My most heartfelt sympathy goes out to all family and friends- words can't convey the sorrow I feel. Kim-please know I am here for you, night and day-just call and I'll be there! Let your family know I am keeping an eye on you! Each and every day brings the best times to remember. Hold those precious memories near and dear to you - they are your memories-nobody can ever take them away from you. Kim, please give your dear father a big hug for me.... I care so much about you and unconditional love and friendship means being there for you, 24/7.. You have a good support system - celebrate your mothers life -good communication is so key here - savor the rest of your family and stick close together - there is strength in numbers...and we all grieve in our own way-and at our own time....Be grateful for all you have-and be grateful for having such a wonderful mother...Kim, it's evident where you get your angelic qualities - it's learned at home - and your mom was one special lady.. May God Bless you and yours, always...My thoughts and prayers continue to be with you and yours.... Forever and a day...

“ You will never know how much you meant to me. Even when you were not feeling well you never showed it. You always took time to check on me and my family. Your kindness and warmth were felt by all who met you. When you were around it always warmed my heart because you reminded me of my grandmother and I knew that you were being such a great grandmother to your grandchildren and great grandchildren it helped me not miss my grandmothers as much. You were a bright light in an otherwise dreary day most times and for that you will be missed always. Love Gwendolyn

“ To Ken and his family, My condolences to all of you. Pat was a great lady and I will miss her. We were next door neighbors for many years and I always enjoyed her company. A truly unselfish soul whose reward has now come. May your memories of her bring you comfort. My favorite memory is seeing her on her motorized chair taking Dutch for a ride. With much love, Janet

“ Mrs. Nason's daughter, Kimberly, is a dear friend of mine and has shared much about her loving, wonderful mother with me through the years of our friendship. The love Kimberly shared with her mother was precious as are the memories Mrs. Nason has left behind. I wish her family much peace and love in this mournful time. I will keep you all close in my thoughts.

“ I know of Mrs. Nason through my friendship with her lovely daughter, Kimberly. Kim shared photos of her mother with us...she told us about her mom and I was touched that she did so. What a gift for others to share their loved ones with their friends. Mrs. Nason was undoubtedly a sweet and loving woman. My sincere sympathies to her family as they come to grips with this loss. I will hold you all close in my heart.

“ My name is Kimberly and I am the middle child falling between Pamela, Daniel and Scott. If I could have any wish, it would be to emulate my Mother's cherished qualities. I wish to be just like her. I will fall quite short I'm sure, but I have a goal, I knew what she stood for and will try to carry out her dreams. I miss her greatly...my greatest thanks to my friends and family.
