“ Dear Peterson family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Patricia Peterson. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest.

“ Having met Mom & Dad Peterson as a teenager, I always felt like I had been adopted into the family. Being friends with Patrick & Tim, Mike & Rita's wedding in my backyard, going to Midnight Mass at Christmas, and more recently giving her hair perms will always be treasured memories. Whether you were watching Jeopardy, or just sitting & sharing a cup of tea or coffee, Mom was always happy you were there. I will miss her, but will keep her in my heart always.

“ Grandma was an amazing woman with an huge heart. I remember back 10 years ago or so, I visited Europe with some friends. When I came home, I went to see her to show her to pictures of the trip - especially of Notre Dame Cathedral in Paris. At some point in the conversation, she said "people always ask me 'what is the one place I want to visit that I've never been.' They always assume Ireland, but I always tell them Heaven." I know you're in heaven now grandma and I know that Papa welcomed you with open arms.
