“ Tricia and I worked together some years ago at Statprobe in Ann Arbor. She was a much valued colleague, and her love for her family was evident in the pictures at her desk, and the way she lit up when she talked about them. I am very sorry for your loss- she is gone much too soon.

“ Dear Brian, Garrett, Liam and Aiden; Ed and I offer our sympathy on Trish's death. She sure was a fighter. We know she is at peace and with the Lord. God bless all of you as you live through this very difficult time. We have loved the times we spent with you, and often think of our 50th anniversary when you all came to Dubuque. That was very special. Love always Ed and Theresa Deppe

“ *Through her fight, she so remained upbeat, always had you laughing, she always had a smile, , Our friendship began in 6th grade at Jack Harvey she made me feel welcome from that first day and remained a true friend all through the years, remembering 6th grade camp to our Senior year all the fun. If we are to learn from her in life is live each day, laugh out loud, and always stay positive. I will always remember her smile, laugh and selflessness. She was and Angel here with us and is now an Angel above to watch over her family.*

*My deepest sympathy to all of you. Mary Jo Meyer*
