“ After all these years I've just learned of your passing and am feeling very sad right now.  
I can remember so many happy fun times we had with our close group of friends in Jr High and High School. GREAT fun. You were the life of the party and a wonderful friend.

“ I'm Corky's sister-in-law and have heard many adventures of the Reilly clan over the years. You sound like a close-knit and loving family and I feel your sorrow at loosing still another member. I pray that the Lord will wrap you all in His loving arms and comfort you broken hearts. God bless.

*So sad to see this. Pat was so much fun in high school, always making everyone laugh. And later in life, she was there for me when I really needed a friend. I enjoyed our conversations and wish that somehow we could have gotten together. My thoughts are with her daughter, who she was so proud of, granddaughters and the rest of her family. She will truly be missed. I hope she is at peace now.*
