“ Fred and Family, Patty is one of those people who you cross paths with in life and never forget. Her sense of humor brightened every room, and her sense of family made the rest of the world realize that there were perfect people out there. She was definately one of them. She will be missed by all who knew her, but our lives were made better for having had that opportunity. May God bless you all.

“ After reading the posts from Fred, Mel and Amy it shows what an amazing mom Patty was. By seeing the smile on Fred's face we all knew what an amazing wife she was. The pictures she sent of Trinity told me what an amazing grandma she was. By the way the rest of our hearts ache it shows what an amazing friend she was. I can't be there today but I sure am thinking of all of you. I will miss you alot PattyK.

“ To the family of Pat. My sympathy to your family. I worked at the Vyncke farm in the fields many years ago with Billy and Dick; and Pat cleaned house on Saturday. When she she moved on, I was promoted to the job. I still remember her after all these years.

“ Mom was always there to patch up the skinned knees and elbows and the cat scratches, as well as when I needed to get stitches pick any of the three times, she was there to hold my hand. The birthday cakes, summer cookouts in the back yard, starting elementary school and graduating elementary school...Mom was there. She was there to send me off both times I deployed overseas. Mom was always there and will be sorely missed by all she touched. Dad, I cannot say I know how you feel. It is true though; you always hear about friends losing loved ones and never think it could happen to you. We will all make it through this together? You, Amy, Melanie, Trinity, and Me. We will make it through this together and when the time is right we will tell Trinity what an amazing woman her Nana is. With my deepest heartfelt condolences, Your Son, Fred

Love you always Dad, I know your lost without your rudder, but we will be that shining light that brings you to harbour, your Trinity will be there for her Papa and she needs you as much as you need her. She needs you to tell her and show her how special her Nana is and always will be. I love you so much and no matter what it is I am there for you. Love you always....

“ Fred, So sorry for your loss of your beloved wife. Bible has many cases of resurrection when Jesus was on earth, foreshadows what he will do in the future. May the scripture bring you the comfort knowing the resurrection hope in the near future. Acts 24:15 “I have hope toward God, which hope these men themselves also entertain, that there is going to be a resurrection” John 5: 28, 29 “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out “ May Jehovah comfort you and bring you peace at this difficult time. You are in my prayer. Yiyi
