“ *Ann McReynolds Dear Pat, How blessed I was to have met and enjoyed many wonderful, enjoyable, fun times with you. You had the loving, caring heart of an angel. To this day I don't think anyone has ever made me laugh as much as you did. What better gift could someone give to another. I thank you so much for that and for your friendship. You will be missed.*

“ My dearest Patty - Already I miss you beyond words! We were not born sister but sisters by choice and sister-in-laws. I was truly blessed having you in my life. We have been through forty-two years of memories. You have been a part of every memorable event in my life and for every event that has occurred in the world we would turn to one another. What will I do without you? I feel lost...heartbroken! You were a fantastic mother, grandmother, sister, aunt, godmother to my son, friend and so much more to countless others who will miss you everyday of our lives. We often joked that whichever one of us died first we would take out an ad in the local paper for mourners with the promise of feeding them, afraid we would not have enough present at our funeral. Well this will not be necessary as you have touched countless lives with your everlasting love and shining example. Thank you for your love, the laughs, the tears and all the beautiful memories. I love you! RIP
Patty until we meet again~

“ Patty, Although the years have passed and we had gone our separate ways I will never forget the very special little girl next door. You were my babysitter, always at my house, and like one of my own kids. You grew up to be a mom, grandma and a good friend. The only regret I have is that I haven't seen you in recent years to let you know how very special I thought you were and that I loved you. You will be missed by all. Shirley
