“ *When I think of my Uncle Pat I have to smile. He was a very funny, loving man. I love the relationship he had with his brothers, the 4 of them always reminded me of "The Rat Pack" they were all very close. I always admired his love for my Aunt Diane & his children & grandchildren. I felt they were everything to him, it was so lovely to hear him speak about them all! There is a lot of spunk in our family and you sure can tell how we all got it from observing our uncles! Prayers for peace & comfort to my Aunt Diane, my cousins & their families during this very difficult time! May God Bless him, & keep him always! Love, Michelle*

“ We have all lost a great man ~ when I think of my Uncle Pat, I always have a smile on my face and in my heart. He was and will always be bigger than life to me. I loved being around him as a child and his home was always full of fun, laughs and chaos. Instead of Uncle Pat, my husband always referred to him as the sports/fun uncle, and I agree. He was more than that though. He was such a comfort to me when my Dad/his brother died, such a sweet presence. I know he was many things to many people, but I was sure blessed to have him in my life. Our Nanny raised some awesome men and I know he's making her laugh in heaven right now! Many prayers and much love is being sent to my Aunt Diane, my cousins and their families...Love, Lori
