

Patsy Jean Linder

May 30, 1939 - August 19, 2023

Patsy Jean Linder, age 84, passed away on 8/19/23 in Chesterfield Twp., MI. She was born on 5/30/39 in Detroit MI. She was preceded in death by her parents Raymond and Dorothy Newton and her husband Fritz with whom she shared 62 years of love, laughter, and cherished memories. She is survived by her children Richard (JoAnn) Linder and Vicki Linder. A sister to Donna (the late Sam) Piccolo and Robert Newton. She was not just a wife, mother, and sister but someone who touched the lives of those around her.

Patsy's career took many paths which started at Vickers and then as a housewife and home typist, during her children's early years, and finished her professional career as a legal secretary. She also played a role in helping run her late husband's appliance repair business.

As a mother, she instilled in her children the values of hard work, perseverance, and compassion. She took great pride in their accomplishments and happiness.

Patsy had a love for adventure through her many camping trips that created lasting memories with family and friends. Traveling with her husband was another passion of hers, as she eagerly explored new destinations, creating cherished memories and new friendships along the way. Patsy also enjoyed the thrill of casinos, wine tastings, and discovering new flavors and

experiences.

During her illness she continued to find joy in the simple pleasures of life, cherishing moments spent with loved ones and finding solace in the support of her family and friends.

In lieu of a traditional service, Patsy has chosen to live on through a Memorial tree next to the one planted for Fritz. This tree will serve as a living tribute to her memory.

Patsy will be remembered for her warm smile, her infectious laughter, and her ability to make everyone around her feel loved and valued. Her genuine friendship touched the lives of many, leaving a mark on their hearts.

Though Patsy may no longer be with us physically, her spirit will forever live on in the hearts of those who knew and loved her.

Donations can be made to The American Lung Association in Patsy's memory.
