“ I have such fond memories of Patsy at parties and out at the lake. She always had a smile and a twinkle in her eye. I'm very sorry for your loss.

“ Grandma, you were *THE* best most likeable, lovable and kind person! We all loved you so much. I'm so happy you were able to be with us here in Royal Oak for 2 of the most awesome years ever. You were so spunky and funny about everything and it makes me so proud to say you were my grandma. Every memory of you is a great one. You were contagious. My son your first great grand baby had the pleasure of knowing you for 8 years and he is so lucky you were in his life for so long. The loss of you is so sad but you lived a long great life and couldn't have been taken from us more peacefully. I will always have a peice of you everywhere I look in my house as I have almost all of your furniture now and I will keep it forever :- You will never be forgotten Grandma. We love you. Renee

“ Sad to see Grandma go, but I am glad it was peaceful and hopefully painless. Although Grandma is gone I have many fond memories that will live with me forever. Growing up I spent many great summers with her up in Cheboygan, we were always going to the beach, camping or working in the yard which I loved and still do love and once in a while heading to Mackinaw city or Mackinac island. On rainy days we would head to Kmart for Legos and puzzles to pass the time while the weather passed. I will always remember how much she loved to watch the birds, always teaching me what was what and excitedly calling me over each time a hummingbird would visit the feeder. Every time I see a cool bird or a hummingbird I will think of Grandma. I am glad I got to spend a lot of time with her throughout my life and I will miss her. When I was younger she always taught me right from wrong and to always be polite. The time I spent with her helped make me who I am today and I will never forget her.
